

Addendum to
Memorandum of Understanding
Between
Central District Health Department
And Valley County Board of Commissioners

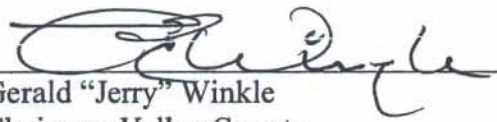

Purpose

This addendum to the agreed upon memorandum of understanding is implemented for the purpose of clarification of the timeline of which subdivisions must comply. The following is an additional line of the original agreement as attached (Attachment A).

Agreement

7. This agreement only applies to subdivisions in which the subdivision application for conditional use permit and preliminary plat was submitted to Valley County after the date of the original agreement, as signed and approved on February 13, 2007.

Dated this 9TH day of JUNE, 2008.

Gerald "Jerry" Winkle
Chairman Valley County
Board of Commissioners

Russell Duke, Director
Central District Health Department
